

## Compost Coordinator

### *FEAST - ASOC*

*Fall 2024 & Spring 2025*

FEAST (Food, Energy, and Sustainability Team) is a student service which runs an organic garden that grows produce, raises a brood of hens, mitigates waste through composting, restores native plants on campus, hosts educational workshops, engages with the surrounding community, and acts as a teaching and learning space for issues of sustainability, environment, and food.

**Duties:** Compost Coordinator is responsible for maintaining and expanding FEAST's Cafeteria to Compost operation in Bruce Steele Garden. This entails several responsibilities as follows split into 3 different student workers:

**Responsibilities:**

Working with LA Compost to follow best practices, coordinating with campus dining to gather kitchen scraps, turning, monitoring and tracking compost process and providing finished compost for the Bruce Steele Garden, among other tasks.

**Qualifications:**

Experience/knowledge in compost management is strongly preferred but not required. Candidates should be enthusiastic about composting practices.

**Start date:** 19 August 2024

**End date:** 9 May 2025

**Work Schedule:** TBD, depending on students academic schedule. Up to 10 hours per week.

**Hours Per Week:** Up to 10 hours per week

**Starting pay rate:** \$17.28/hr

**Work Award:** No
