

Native Gardens Restoration Coordinator *ASOC - FEAST*

Fall 2024 & Spring 2025

FEAST (Food, Energy, and Sustainability Team) is a student service which runs an organic garden that grows produce, raises a brood of hens, mitigates waste through composting, restores native plants on campus, hosts educational workshops, engages with the surrounding community, and acts as a teaching and learning space for issues of sustainability, environment, and food.

Duties and responsibilities: The Native Gardens Coordinators are responsible for reviving, expanding and maintaining FEAST projects throughout Occidental Campus. This is a team of up to 3 students. Projects include:

- Fiji Hill Restoration site
- The native Pollinator Garden
- The Gretchen North Coastal Sage Scrub Garden
- The Succulent Garden
- The Butterfly Garden
- The Bruce Steele Garden Native Plant Project

Qualifications:

Experience/knowledge in native plant care is strongly preferred but not required. The team of Native Gardens Restoration Coordinators will host monthly educational workshops throughout the school year.

Start date: 19 August 2024

End date: 9 May 2025

Work Schedule: TBD, depending on students academic schedule.

Hours Per Week: Up to 10 hours per week

Starting pay rate: \$17.28/hr

Work Award: No

To apply, please submit student employment [application](#).
