

Stage Technician

Performing Arts Facilities

Fall 2024 – Spring 2025

Duties/Responsibilities: Main responsibilities include backstage assistance in running a wide range of events in the theater facilities, from music concerts and dance shows to panel discussions and lectures. Employees work as part of a technical crew for setting up lights, sound, and staging for both on-campus and off-campus clients. Technicians are required to maintain a professional demeanor with co-workers and theater users, and must adhere to strict call times for shows. The PAF crew also maintains theater equipment, organizes theater spaces, and ensures safety in the work environment. Due to the nature of a theater environment, employees must be aware of their surroundings at all times in the interest of their safety and the safety of others. Some of the work performed by technicians is physical.

Qualifications: All training in the operation of theater equipment will be provided by the Performing Arts Facilities staff. Some theater experience preferred, but not necessary.

Technicians will be trained to operate lighting and sound consoles and other theatrical equipment.

Dress requirements are as follows:

- For work calls, employees must wear sturdy shoes or work boots and clothes that are appropriate for physical work and painting.
- For show calls, employees are required to wear black or dark pants and closed dark shoes. Shirts will be provided by the Performing Arts Facilities Department.
